Dear Mr. Worley:

As a follow-up to your conversation with Dallas Quinn, please provide us with any recent letters, memoranda or other writings pertaining to the February 2007 Preliminary Draft FS/EIS for Pearl River flooding in Metro Jackson. In particular, we are trying to determine whether the Vicksburg Corps termination decision has been modified in any way. In other words, has the decision been made to reinstate the study? If so, has a time and cost estimate been established?

Sincerely,

BEGLEY LAW FIRM, PLLC
